

CONSTRUCTION MANAGEMENT

HGA will serve as an advocate for our clients to minimize risk, promote quality, and facilitate collaboration and efficiency.

HGA can provide a full range of construction management services. In addition to construction oversight, subcontract administration, and quality control, HGA can provide support services such as **field procurement, material control, cost control and scheduling**. Maintenance of a safe worksite, coordination of contractors, and assessment of construction progress are key functions of the construction manager in ensuring a successful project.

Specialized Services in:

- All phases and aspects of construction, including small and large projects
- Contract/subcontract administration and management
- Procurement management—materials, consumables and equipment
- Coordination of contractors and subcontractors
- Safety procedures and mitigation of unsafe work practices
- Quality assurance and control
- Tracking and management of progress through detailed and summary construction schedules
- Preparation of total installed cost (TIC) estimates and cost control management

Key Benefits:

- Assurance that work is performed in accordance with design drawings, specifications, and codes
- Performing risk assessment during the scope development and cost estimating stages
- Continuity across project phases for streamlined support
- Competitive bidding and comprehensive contractor oversight to save money and time
- Utilization of the latest technology in 3-D development, computer-aided drafting, animation and design/analysis programs for enhanced accuracy

Excellence & Experience:

- Projects in 30 states, Canada, & Mexico
- Experience providing total construction management for multi-million dollar projects—from initiation through launch production
- Portfolio of fortune 500 clientele, state and local government municipalities, and many prestigious public & private companies
- Multiple Industry Awards:
 - 2015 Top 25 Inc. 500|5000 fastest-growing private companies
 - Zweig Group Hot Firm List
 - ENR Top Design Firm
